

Greetings,

We are reaching out to you to provide an update to our last email sent to all grant recipient's on March 23, 2020. The Public Safety Office (PSO) was notified by the Office for Victims of Crime (OVC) on March 26, 2020 that it was extending the due date for the 2nd quarter VOCA performance reports. As stated in our earlier communications with grantees and stakeholders, any flexibility by our funders would be extended to our grant recipients. In light of OVC's generous extension we will now move the due date for the VOCA January through March reporting period to **May 30, 2020**. Please note that the due date in eGrants on the reporting tabs will remain April 15, 2020, but the PSO will refrain from placing funding holds until after the new due date of May 30, 2020. The chart below provides amended progress reporting due dates for ALL PSO fund sources. If you have any questions or concerns, please feel free to contact your Grant Manager for guidance. In closing, we thank you again for all that you are doing to maintain services for the victims of crime in Texas.

JAG	January 1 - March 31	April 15	June 15
