## Mission Statement

TAASA is the unifying voice to eliminate sexual violence in Texas. As the statewide coalition of survivors, advocates, rape crisis centers, and allied professionals, we are committed to fostering a culture that respects the fundamental rights and dignity of all.

## Thank You

We are delighted to unveil our new and improved Service Directory.

We hope you'll find this Directory useful in connecting survivors of sexual assault to the nearest survivor-centered sexual assault program/rape crisis center. Everything is bigger in Texas, and with 254 counties, we want to ensure the nearest rape crisis center is easy to find.

As a stakeholder, you are an important part of the movement to end sexual violence in Texas. We look forward to the collaboration and connection the directory will provide among programs and agencies across the state.

Please take a moment to explore this beautiful new feature, designed with you in mind.

Notice a contact missing or information that needs updating? Send us a note at [servicedirectory@taasa.org](mailto:servicedirectory@taasa.org) and we'll get it changed.

Thank you for your commitment to making this resource possible.

Sincerely,

CEO TAASA
